SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, the BLM provides the general public and other Federal agencies with an opportunity to comment on new, proposed, revised and continuing collections of information. This helps to assess the impact of the BLM's information collection requirements and minimize the public's reporting burden. It also helps the public understand the BLM's information collection requirements and provides the requested data in the desired format. A Federal Register notice with a 60-day public comment period soliciting comments on this collection of information was published on August 22, 2019 (84 FR 43818). No comments were received.

We are again soliciting comments on the proposed ICR that is described below. The BLM is especially interested in public comment addressing the following issues: (1) is the collection necessary to the proper functions of the BLM; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the BLM enhance the quality, utility, and clarity of the information to be collected; and (5) how might the BLM minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record.

The BLM will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time.
